Additional Instructions For Health Care Professionals

→ Follow orders listed in A, B and C and honor preferences listed in F until there is an opportunity for a clinician to review as described below.

→ Any change to this form requires the form to be voided and a new form to be signed. To void the form, write VOID in large letters across both sides of the form. *If no new form is completed, no limitations on treatment are documented and full treatment may be provided.*

→ Re-discuss the patient's goals for care and treatment preferences as clinically appropriate to disease progression, at transfer to a new care setting or level of care, or if preferences change. Revise the form when needed to accurately reflect treatment preferences.

→ The patient or health care agent (if the patient lacks capacity), guardian*, or parent/guardian* of a minor can revoke the MOLST form at any time and/or request and receive previously refused medically-indicated treatment.
